

3460 Series™ Push Button Seating

A New Hope, MN-based leader in the office product industry, introduces the 3460 Series™ Push Button Seating, a multi-functional ergonomic seating series designed for use in today's offices. With smoothly contoured surfaces, the 3460 Series™ provides maximum comfort with a great appearance.

Easy to use push button adjustment features, built-in lumbar wedge, waterfall seat design and fully adjustable armrests are a few of the features Safco has incorporated into its 3460 Series™. Available in High Back, Mid-Back Executive styles along with two styles of Guest Chairs for a complete office grouping.

Keeping workers and guests comfortable should be the goal of every business. Safco's new 3460 Series™ easily provides the comfort, functionality and appearance you need at a price you can afford.
